

**AGENDA**  
**CITY OF CITRUS HEIGHTS**  
**PLANNING COMMISSION**  
City Hall Council Chambers  
6360 Fountain Square Drive, Citrus Heights, CA  
February 25, 2025, 6:00 PM

**HOW TO PARTICIPATE:**

The Commission may take up any agenda item at any time, regardless of the order listed. Action may be taken on any item on the agenda. The Commission established a procedure for addressing the Commission. Speaker Identification Sheets are provided on the table inside the Council Chambers. If you wish to address the Commission during the meeting, please complete a Speaker Identification Form and give it to the Commission Secretary. Those addressing the Commission are limited to three (3) minutes. The Chair may also reduce the allowed time if there is a lengthy Agenda or a large number of people wanting to address the Commission.

You may also submit your comment via email to [planning@citrusheights.net](mailto:planning@citrusheights.net). Each written comment will be read aloud by the Secretary.

## PLANNING COMMISSION STAFF REPORT MEMORANDUM

**DATE:** February 25, 2025

**TO:** Planning Commission Members

**FROM:** Casey Kempenaar, Community Development Director  
Alison Bermudez, Senior Planner  
Steffane Lui, Associate Planner

**SUBJECT:** **2024 General Plan Annual Progress Report**

---

### **Summary and Recommendation**

Staff recommends the Planning Commission move to accept the 2024 General Plan Annual Progress Report and direct staff to forward the report to City Council and the appropriate state agencies in accordance with Government Code Section 65400.

### **Background and Analysis**

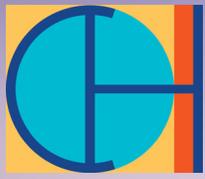

State law requires all cities and counties submit to their legislative bodies an annual progress report on the status of the General Plan and progress in its implementation. The city's General Plan contains 66 goals to guide overall city development. As a basis for local government decision-making, and to maintain the city's commitment to transparency and accountability, these goals and policies are analyzed and serve as the guiding action to achieve the overall vision for the community.

State law requires each jurisdiction submit a report to the Governor's Office of Planning and Research (OPR) to ensure the goals, policies, and action items of the General Plan are being implemented. Furthermore, a report on the progress made to implement the Housing Element of the General Plan must be provided to the Department of Housing and Community Development (HCD). Staff has combined the reporting elements of OPR and HCD into a single Annual Progress Report (Attachment 1). This report provides an analysis of those General Plan policies and action items that have made notable progress during calendar year 2024, including the annual Housing Element progress report for all action items.

Following the Planning Commission's review of the General Plan Progress Report, staff will present the report to City Council for review and approval. If approved, staff will forward the report to OPR and HCD as required by law.

1. 2024 General Plan Annual Progress Report

Planning  
Commission Draft  
02.25.25

# City of Citrus Heights General Plan Annual Progress Report 2024

CITY OF CITRUS HEIGHTS  
COMMUNITY DEVELOPMENT DEPARTMENT  
PLANNING DIVISION  
6360 FOUNTAIN SQUARE DRIVE  
CITRUS HEIGHTS, CA 95621  
(916) 727-4740

## Purpose of this Document

Section 65400(b) of the State of California Government Code requires planning agencies to provide an annual report to their legislative body, the Governor's Office of Planning and Research (OPR), and the State Department of Housing and Community Development (HCD) on the status of the General Plan and progress in its implementation. The four basic purposes of the annual report are as follows:

- To provide information to assess progress on implementation of the General Plan in accordance with the stated goals, policies and implementation measures.
- Provide information to identify necessary course adjustments or modifications to the General Plan as a means to improve implementation.
- To provide a clear correlation between land use decisions made during the reporting period, and the goals, policies and implementation measures in the General Plan.
- To provide information regarding local agency progress in meeting its share of regional housing needs and local efforts to remove governmental constraints to the development of housing.

State law requires that the General Plan Annual Progress Report (APR) be completed and submitted to the state each year for the previous calendar year. This APR looks at the City of Citrus Heights's progress toward implementing its General Plan during the 2024 planning year.

## General Plan Background

Upon incorporation in January 1997, the City adopted the Sacramento County General Plan. Soon thereafter, the City embarked on an intensive process of crafting the first General Plan. The resulting plan was adopted on November 15, 2000. Citizen participation played an important role in preparing the City's General Plan. Because a General Plan needs to reflect community goals and aspirations, citizens were involved with issue identification and goal formulation. The public as well as various civic and professional organizations were consulted during the General Plan preparation stage whenever possible. Numerous public meetings were held to discuss the General Plan. In 2011, a *focused* update to the General Plan was completed that addressed the areas of mobility/complete streets, water quality, climate change/sustainability. The Housing Element of the General Plan was updated in 2013 and again in 2021 to reflect the planning periods 2013-2021 and 2021-2029.

The General Plan addresses State General Plan requirements. California law requires that every city and county adopt a long-term General Plan that addresses seven specific topics or "elements," organized in any format or structure preferred by the community. The General Plan may also address other topics the community feels are relevant. Regardless of the format or issues addressed, the Plan must be internally consistent. The City's Plan is organized into three elements that meet the State requirements, as shown in Table 1: General Plan Content.

**Table 1  
General Plan Content**

<b>Citrus Heights Plan Elements</b>	<b>Required Plan Topics</b>	<b>Issues Covered</b>
Community Development	Land Use Circulation Housing	Community character, neighborhoods, corridors, economic development, gateways, public spaces, housing, transportation and mobility, regional coordination
Resource Conservation	Conservation Open Space	Biological resources, open space, energy conservation, cultural resources
Community Health	Noise Safety	Flooding, seismic activity, hazardous materials, noise, air quality, climate change, services, parks and recreation, education, utilities

**City’s Responsibility**

The effectiveness of the General Plan ultimately depends on how it is implemented and maintained over time. State law requires that most actions of local governments affecting the physical environment be consistent with the General Plan. The implementation of the Plan is the responsibility of numerous departments and divisions including:

- City Manager’s Office (Includes City Clerk and Risk Management)
- Economic Development and Community Engagement Department
- City Attorney
- Community Development Department (Includes Planning, Building and Housing Divisions)
- Police Department (Includes Code Enforcement, Animal Control, and Rental Housing Inspection Divisions)
- General Services Department (Includes Public Works and Engineering, Community Services, Facilities, and Fleet Divisions)
- Administrative Services Department (Includes Finance, Information Technology, and Human Resources Divisions)

Additionally, several other governmental agencies provide services within the City’s boundary. While these agencies are neither part of the City’s operational structure nor directly responsible for implementation of the General Plan, the City does coordinate its activities with these other agencies and relies upon their assistance for full implementation of the General Plan. These agencies include, but are not limited to the following:

- Water Districts (3)
- Sacramento Metropolitan Fire District
- San Juan Unified School District
- Sunrise Recreation and Park District
- Sacramento Area Sewer District

## Amendments to the General Plan

State law allows the City to amend its General Plan no more than four times per year. Amendments may be proposed and acted upon at any time during the year and one action may include multiple amendments. Any changes to the General Plan require public hearing by the City Council and evaluation of the environmental impacts as required by the California Environmental Quality Act.

In 2024, the City did not make any changes to the adopted General Plan.

## Major Project Developments

Construction was approved, initiated or completed within Citrus Heights for the following major projects during the 2024 planning year:

**Wyatt Ranch Subdivision** – Originally entitled in 2016, the 23-unit Wyatt Ranch subdivision began construction in 2021 and to date, 18 homes have been completed.

**Fair Oaks Senior Apartments** – Fair Oaks Senior Apartments is an exciting new addition to the community. This multi-family project is now fully leased and providing 108 beautifully designed units tailored specifically for income-qualified seniors.

## Other Major Milestones and Projects that Support the Goals of the General Plan

**Arcade-Cripple Creek Trail** – The Arcade-Cripple Creek Trail (ACCT) broke ground in November 2022 and was completed in 2024. This new trail is a 2.9 mile long multi-use trail between Sunrise Boulevard (near Arcade Creek Park Preserve) and Wachtel Way that will largely follow an existing Sacramento Municipal Utility District (SMUD) electric corridor easement. The project is located in the City and unincorporated Orangevale, and connects several neighborhoods to eight parks, several schools and the Sunrise MarketPlace. In 2024, the planning and design of trail extensions were initiated and will allow access to area currently inaccessible to the public.

**Auburn Boulevard Complete Streets Phase 2** – In 2024, Phase 2 of the Auburn Boulevard Complete Streets Project began. Phase 2 will extend the vision of a safer, updated roadway with enhanced amenities for all users (pedestrians, bicyclists, and motorists) north to Orlando Avenue in Roseville. 85% of Phase 2 construction is funded by non-general funds, including grants awarded from SACOG grant, Regional Program grant, and Regional ATP grant.

**Citrus Heights Cares** – The City continued its Citrus Heights Care program which created a comprehensive toolbox to achieve a new level of community cleanliness and pride through litter and weed abatement, illegal sign removal, minor graffiti removal, cleaning of debris along sidewalks and trails, among other things. This award winning pilot program is in its third year of success.

## Status of General Plan Implementation Actions

The table below analyzes selected General Plan policies and action items that made notable progress in 2024. The table is not a comprehensive list of all policies and action items in the General Plan; many policies/actions are under ongoing implementation and may not be listed here. A majority of the

General Plan policies and related action items have been implemented through the adoption of ordinances or resolutions, incorporated into the regular governmental activities, or considered during the review of development proposals. The policy implementations below provide a streamlined review to highlight the annual progress efficiently. A comprehensive list of all General Plan policies and action items with status and/or implementation can be viewed in prior General Plan APRs.

A review of the Housing Element implementation status for all action items, and progress toward meeting the City’s Regional Housing Needs Assessment, is provided in the subsequent section, beginning on page 9.

### Community Character and Identity

<b>Goal 2: Preserve the unique character of Citrus Heights, and create a distinctive community identity</b>
<b>Policy 2.3:</b> <i>Maintain a high level of services for all citizens, including high standards of public safety.</i>
<b>Status/Implementation:</b> The City continued its Citrus Heights Cares campaign throughout 2024. The Cares Campaign was part of the City Council’s Focus Area Work Plan to meet city objectives for expeditious cleanup and response, active enforcement of encampments and nuisance situations that impede public right-of-ways and other public areas that are detrimental to public enjoyment and safety.

### Housing

<b>Goal 25: Provide adequate sites for a variety of housing opportunities to serve all residents</b>
<b>Policy 25.1:</b> <i>Promote development of a variety of housing types in terms of location, cost, design, style, type, and tenure, while ensuring compatibility with adjacent uses of land.</i>
<b>Action 25.1A:</b> Support development of secondary dwelling units, cluster housing, work/live units, co-op housing, and other innovative housing types as allowed by the Zoning Code
<b>Status/Implementation:</b> In 2024, the City issued 30 building permits for the construction of Accessory Dwelling Units (ADUs). Four of these permits were from the City’s Permit-Ready Accessory Dwelling Unit Program (PRADU), providing 18 different ADU plans to prospective applicants free of charge. This is all part of the City’s efforts to create more housing opportunities within single-family zoned neighborhoods.

<p><b>Policy 25.2:</b>  <i>Strive to meet the City’s fair share housing allocation based on the Regional Housing Needs Assessment.</i></p>
<p><b>Status/Implementation:</b> The City remains committed to achieving our RHNA goal by 2029, with just 340 units left to meet the target.</p>

<p><b>Goal 26: Develop, conserve, and improve the housing stock to ensure decent accommodations for all segments of the community</b></p>
<p><b>Policy 26.1:</b>  <i>Encourage the conservation and improvement of existing housing.</i></p>
<p><b>Action 26.1A:</b> Promote the use of administrative remedies to remediate substandard rental units</p> <p><b>Status/Implementation:</b> The city’s Rental Housing Inspection Program officially launched in 2019. Since then, the team has been in the field conducting inspections and working with rental property owners and property managers to resolve code violations that are negatively impacting the quality of the city’s housing stock. In 2024, the RHIP team identified 206 individual housing units with violations and identified a total of 1,159 total violations, of which 1,106 violations were cleared. In most cases, each one of these violations has the potential to cause a hazard that could result in great bodily harm or death. These impressive results highlight and underscore the need and importance of having a program dedicated to improving the city’s rental housing.</p>
<p><b>Action 26.1F:</b> Continue and expand the City’s Owner Occupied Rehabilitation Program where feasible.</p> <p><b>Status/Implementation:</b> The City has partnered with local organizations to provide health and safety repairs, accessibility improvements, and maintenance to several homeowners. A variety of funding sources have been used to fund Home Repair Programs: Community Development Block Grant (CDBG) funds, CalHome funds, loan repayment funds, and other funding sources.</p>

<p><b>Goal 28: Ensure housing opportunities for all segments of the community</b></p>
<p><b>Policy 28.1:</b>  <i>Pursue necessary resources for the development, maintenance and preservation of emergency housing, transitional housing, and housing to accommodate other special needs.</i></p>
<p><b>Action 28.1A:</b> Enforce Code requirements to ensure that housing is accessible to the disabled</p> <p><b>Status/Implementation:</b> The City continues to seek funding on accessibility improvements to public infrastructure, ADA-compliant sidewalks. The Building Division ensures compliance with ADA for all new construction and rehabilitation projects.</p>
<p><b>Policy 28.2:</b>  <i>Endeavor to meet the housing needs of homeless persons</i></p>
<p><b>Action 28.2B:</b> Continue to work with the Sacramento County Department of Housing Assistance to provide emergency shelters and other support services.</p> <p><b>Status/Implementation:</b> The City continues to work with the Department of Homeless Services and Housing to provide unhoused individuals with supportive services and housing through the Community Health Works Program.</p>

**Policy 28.3:**

*Support and cooperate with regional and community-based organizations in the delivery of special needs housing resources.*

**Action 28.3A:** Support SHRA efforts to provide housing assistance within the community.

**Status/Implementation:** The City continues to have a great working relationship with our local housing authority, Sacramento Housing Redevelopment Agency (SHRA) and supports efforts to reduce the potential for displacement.

**Resource Conservation**

**Goal 36: Preserve, protect and increase plantings of trees within the City**

**Policy 36.1:**

*Incorporate existing trees into development projects. Avoid adverse effects on health and longevity of native oaks or other significant trees through appropriate design measures and construction practices. When tree preservation is not possible, require appropriate tree replacement.*

**Action 36.1B:** Prepare a plan to systematically increase tree canopy in the City

**Status/Implementation:** For the seventh year in a row, the City of Citrus Heights has been named a Tree City USA by the Arbor Day Foundation, in honor of the City’s ongoing commitment to effective urban forest management.

Citrus Heights achieved Tree City USA recognition by meeting four requirements set by the Arbor Day Foundation, including having a tree board or department, a tree care ordinance, an annual community forestry budget of at least \$2 per capita, and an Arbor Day observance and proclamation

**Open Space**

**Goal 38: Establish a system of creekside trails, passive open space and parks for public use**

**Policy 38.1:**

*Provide for recreational trail rights-of-way along local creek channels through development easements and agreements.*

**Action 38.1A:** Pursue development of recreational trails that respect privacy of adjoining properties, safety of users, and maintenance of natural areas.

**Status/Implementation:** The Arcade-Cripple Creek Trail (ACCT) broke ground in November 2022 and was completed in 2024. This new trail is a 2.9 mile long multi-use trail between Sunrise Boulevard (near Arcade Creek Park Preserve) and Wachtel Way that will largely follow an existing Sacramento Municipal Utility District (SMUD) electric corridor easement. The project is located in the City and unincorporated Orangevale, and connects several neighborhoods to eight parks, several schools and the Sunrise MarketPlace. In 2024, the planning and design of trail extensions were initiated and will allow access to area currently inaccessible to the public.

**Public Safety**

<b>Goal 58: Ensure excellent public safety services and rapid and effective emergency response</b>
<b>Policy 58.1:</b> <i>Provide police staffing as necessary to meet community needs</i>
<b>Status/Implementation:</b> The IMPACT Unit and the Homeless Outreach Navigators proactively partnered with other City government departments and the City Attorney's Office to look for strategies and best practices to tackle issues concerning blight and chronic nuisances that have negatively affected the quality of life in Citrus Heights. This collaboration led to forming a Community Prosecutor position through the City Attorney's Office. A chronic nuisance offender (CNO) is any person who negatively affects the quality of life in our city through repeated violations of the City Municipal Codes and Ordinances and is a drain on City resources. This program aims to have an efficient way for the City of Citrus Heights and the Police Department to work with our Community Prosecutor to hold those accountable who are chronic nuisance offenders.

## Housing Element Annual Progress Report

### Overview

Preserving and enhancing the range and affordability of housing is an important goal of the General Plan. A goal of the Plan is to continue to address the housing needs for all, including move-up homeowners, low-income renters, seniors, disabled persons, and other with special needs. The Plan includes a variety of goals, policies and actions primarily directed toward the following objective:

- Increase the level of home ownership in the community
- Preserve the existing housing supply and assure its continuing quality.

This annual report includes a review of the Plan’s goals as they relate to housing. Table D, included within this report, provides the status/progress of the programs within the housing element section of the General Plan.

### Regional Housing Needs Plan

In an effort to address statewide housing needs, the state of California requires regions to address housing issues and needs based on future growth projections for the area. Housing and Community Development (HCD) allocates regional housing needs to councils of government throughout the state. The Regional Housing Needs Plan (RHNP) then allocates to each city and unincorporated county their “fair share” of the region’s projected housing needs by household income level. This distribution is commonly referred to as the Regional Housing Needs Allocation (RHNA).

The intent of the RHNP is to ensure that local jurisdictions address not only the needs of their immediate areas but also fill the housing needs for the entire region. Additionally, a major goal of the RHNP is to ensure that every community provides an opportunity for a mix of affordable housing to all economic segments of its population.

For the City, the RHNP is developed by the Sacramento Area Council of Governments (SACOG). State law requires the City to identify its progress in meeting its share of the RHNA as well as local efforts to remove governmental constraints to housing. The City’s General Plan Housing Element includes programs and actions to be taken to meet these objectives, and reflects the RHNP and RHNA for the Sacramento region.

SACOG, along with the City and the other jurisdictions in the region, prepared the Regional Housing Needs Plan (RHNP) and the Regional Housing Needs Assessment (RHNA) for the 2021–2029 planning period. The RHNP identified a total of 697 dwelling units as the City’s fair share of the regional needs total. Table 2 identifies the breakdown of this number for each of the income categories covered by the RHNP for the City.

**Table 2**  
**Regional Housing Needs Allocation (6<sup>th</sup> Cycle – May 15, 2021 to May 15, 2029)**

Income Category	RHNA	Total Units to Date of Current Planning Cycle	Total Remaining RHNA by Income Level
Extremely Low Income/Very Low	132	14	118
Low Income	79	174	0
Moderate Income	144	9	135
Above Moderate	342	255	87
<b>Total</b>	<b>697</b>	<b>452</b>	<b>340</b>

*\*Numbers from Table B of the Annual Housing Element Report*

**Summary of Units**

The information below is a summary of housing unit activity of the City of Citrus Heights during 2024. This information is a summary of Tables A through K submitted to the State of California’s Housing and Community Development Department.

**Housing Element Program Implementation**

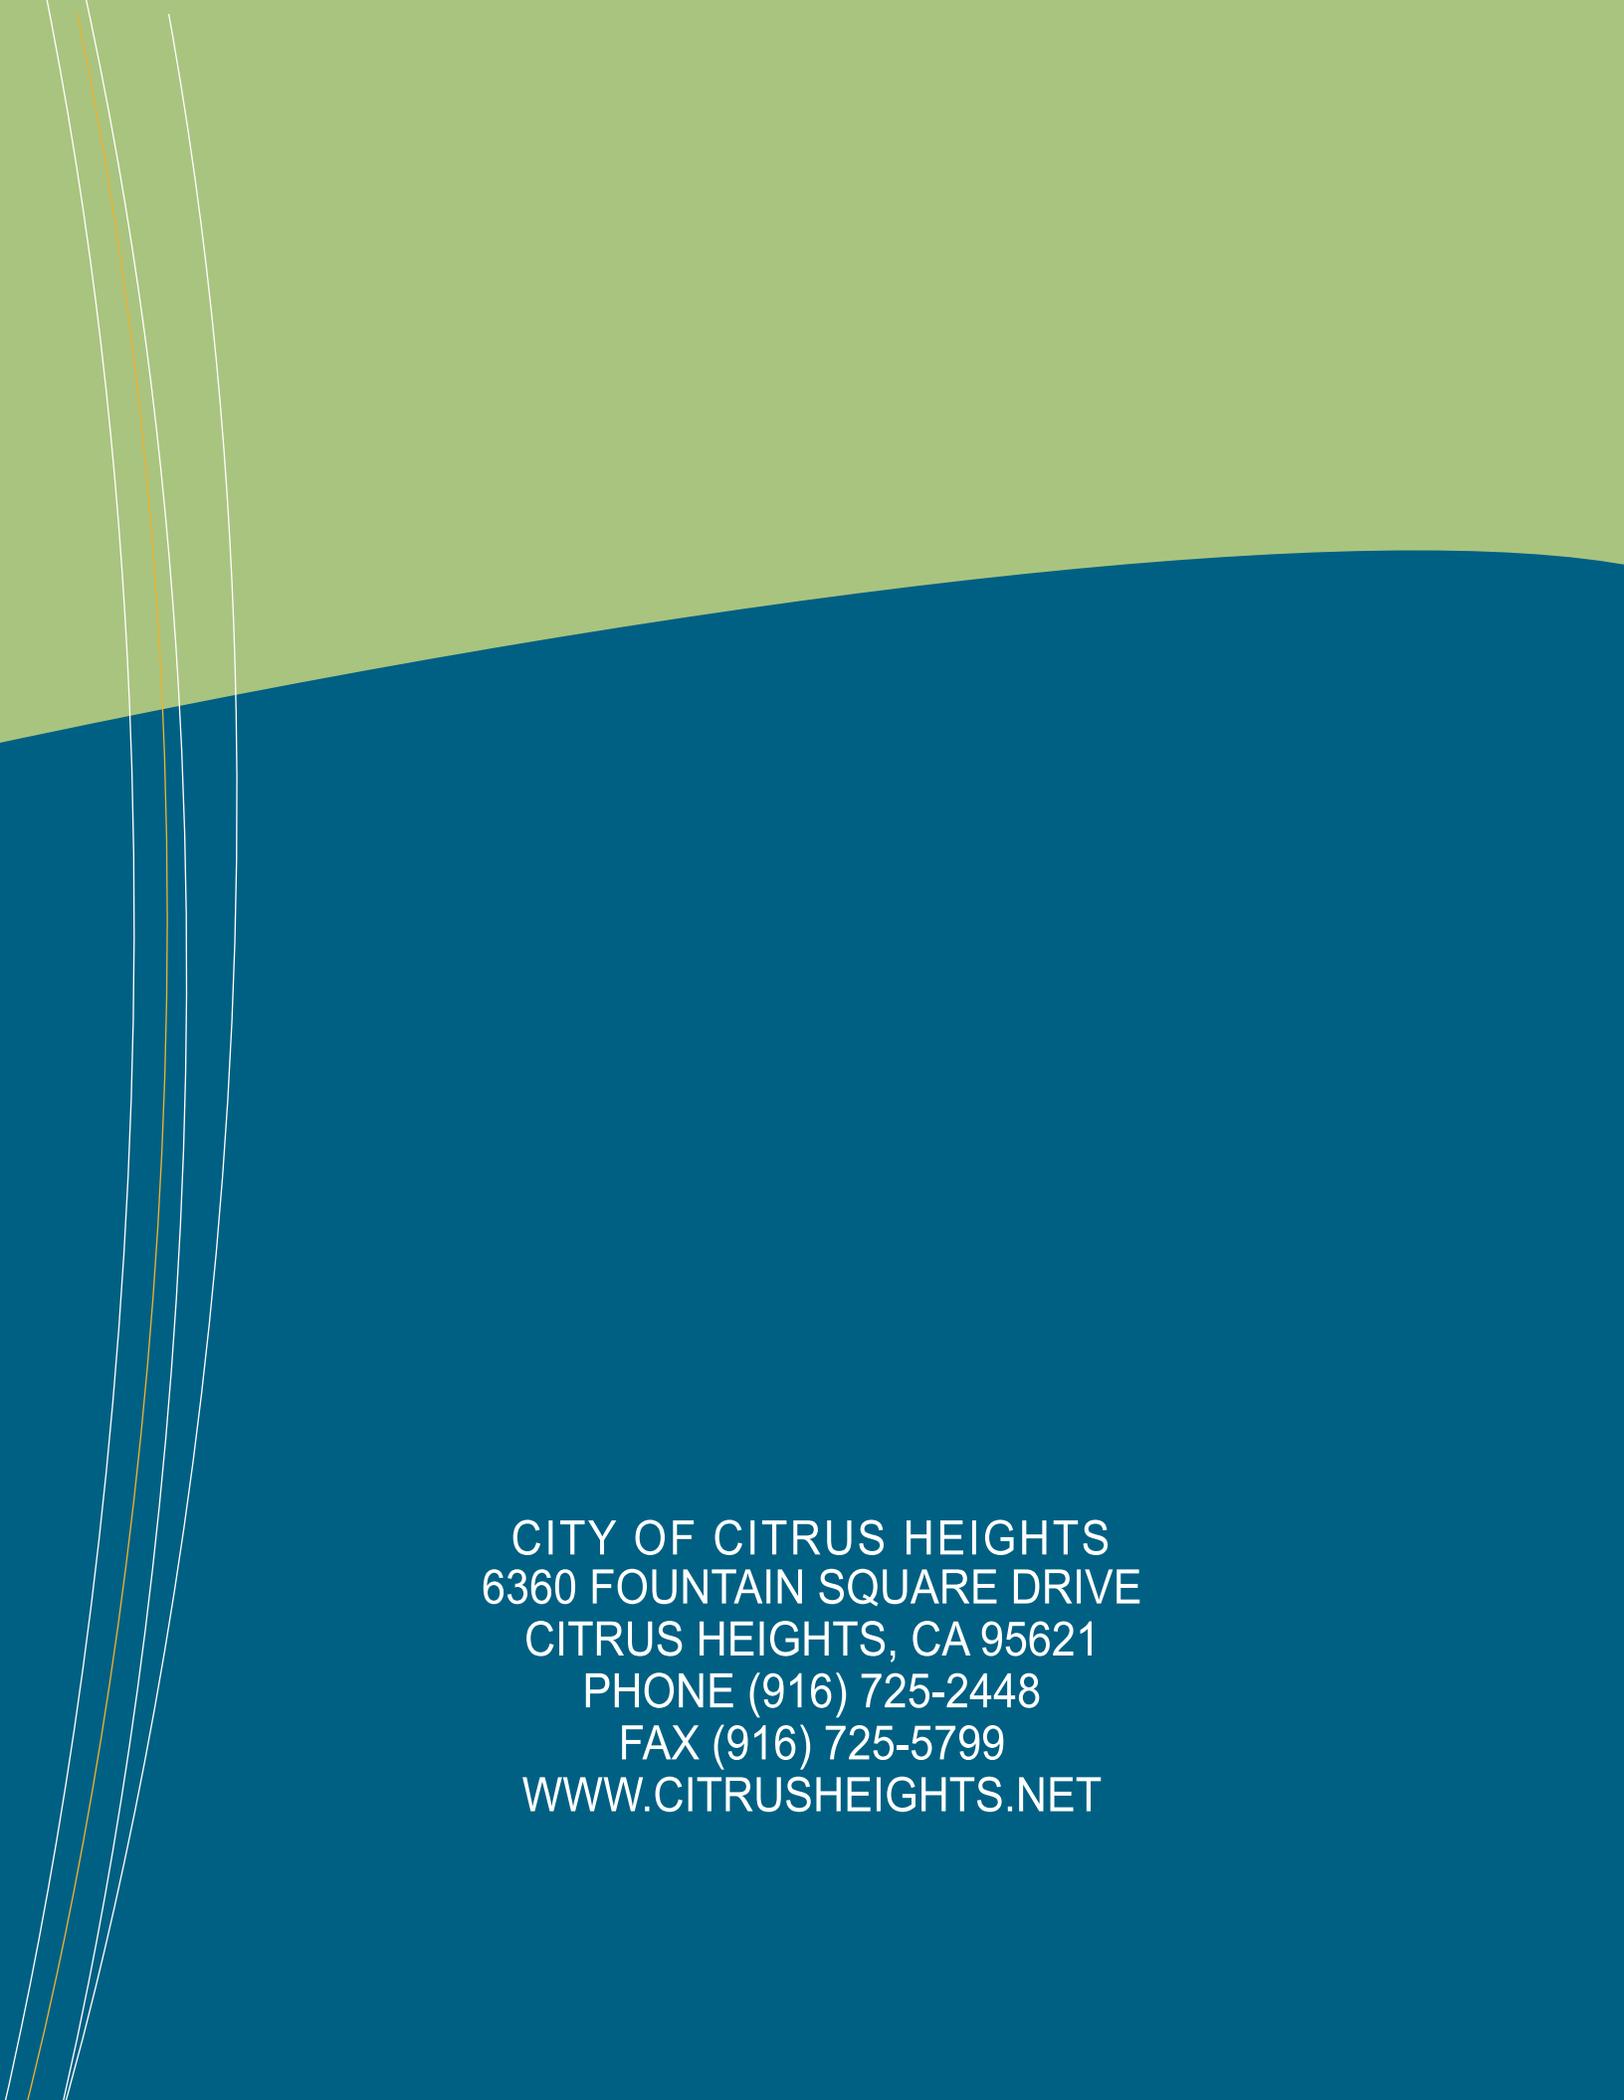

The City adopted its 2021–2029 Housing Element on May 27, 2021. It was subsequently certified by the State’s Housing and Community Development Department (HCD).

Jurisdiction	Citrus Heights	
Reporting Year	2024	(Jan. 1 - Dec. 31)
Building Permits Issued by Affordability Summary		
Income Level	Current Year	
Very Low	Deed Restricted	
	Non-Deed Restricted	1
Low	Deed Restricted	
	Non-Deed Restricted	16
Moderate	Deed Restricted	
	Non-Deed Restricted	1
Above Moderate		12
<b>Total Units</b>		<b>30</b>

Note: Units serving extremely low-income households are included in the very low-income permitted units totals

Units by Structure Type	Number of Units Permits Issued	Completed 2024
Single-family Dwellings	6	5
Multi-family		110
Accessory Dwelling Units	31	34
<b>Total</b>	<b>37</b>	<b>148</b>

State law requires the City to complete a specific review of the implementation of the programs in the Housing Element. Table D lists each of the programs in the Housing Element and indicates the timeframe to complete the program and the City's efforts to date. As the table shows, the City is on track with implementation of its Housing Element.
