**CALIFORNIA CODE SB 914**

Effective January 1, 2006, makes it a crime to sell and transfer a dog less than 8 weeks of age to a purchaser unless there is written authorization from a veterinarian. The code calls for a \$250 fine for each dog sold and transferred under the age of 8 weeks.

**ANIMALS** purchased as pets require a commitment for their life care. The Bee Classified Department encourages awareness of the responsibilities of pet ownership.

The State Board of Equalization requires that a person who sells pets must register with the Board for a seller's permit if they are engaged in business in California and make more than two sales during a twelve-month period. The number of sales is measured by each individual sale of an animal, not by the number of litters.

**JACK RUSSELL PUPPIES** (2 FEM). Bred for calm, Rough coat, \$300-\$500. Ph 530-333-1911

Sacramento City and County have established ordinances regarding animal licensing. The code states: It is unlawful for any person to own, harbor or keep a dog or cat, over the age of four months, without first obtaining a license authorizing the keeping of such dog or cat. It is unlawful for any person to breed an unaltered dog or cat while the dog or cat is unlicensed. It is unlawful for any person to own, harbor or keep any dog or cat over the age of four months that has not been sterilized, unless such person holds an unaltered license, unaltered license with reduced fees, or is otherwise exempt. Any owner who advertises any dog or cat for sale shall display the license number on any such advertisement. If selling a litter of kittens and/or puppies under the age of four months, the license number of the animal who was bred must be displayed.
